Dear Parents/Carers,

Please be aware that in line with our Covid measures, these meetings are to take place virtually via Microsoft Teams. You will still be asked to book your appointment time using Teachers2Parents and the booking system will be available from today 22nd November 2021.

Prior to the week beginning 29th November, you will be further guidance regarding the use of Microsoft Teams and sent a link to access your appointment. The same Microsoft Teams meeting link will be sent to all pupils from the same class but parents will only be admitted to the meeting at their allotted time and will not be able to stay on or re-join the meeting when their slot has ended. Please contact the office if you do not receive your link by Monday 29th November.
