

Peek of the Week

The Orchard –8th October 2021

Important Dates / Reminders

- 18th October– Individual photos
- 8th November– Coffee morning
- Please send in spare labelled clothing as we do a lot of sensory play

Our Learning

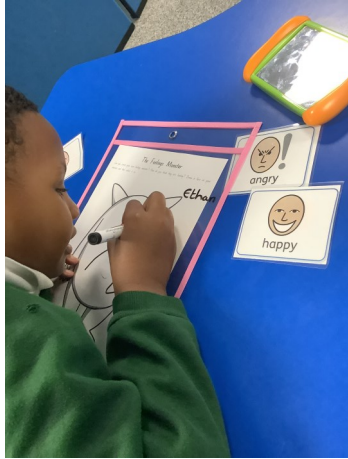

English

We have been reading 'Let's Make Faces'. We have been looking for faces we might find in objects around school, and in every day objects. We have been hunting for faces along the Priory Mile!

Maths

We have been continuing to explore patterns through the use of concrete objects and colour. We are starting to complete repeated patterns with objects and recording this in different ways.

Provision

This week, we have been exploring our own faces and the ones we can find in everyday objects! We have been making faces using fruit and vegetables, linking the faces we create with our own emotions.

Star of the week
 Pears: Vivaan Oranges: Ethan Apples: Jordan Plums: Ava Cherries: Nathan

Phrase of the week: let's make faces
