Our Learning

This week we travelled back in time and explored the HMS Windrush and the courageous individuals that moved to England after WW2 to help us to rebuild our country.

In English, we have written our own narrative based on the story of Rose Blanche and worked on developing our editing skills.

In maths, we have continue to develop our knowledge of addition and subtraction and completed end of unit assessments for place value and addition and subtraction.

Next week, we will be beginning our science topic on forces and will also continue our Propaganda posters in art.

In English, we will be looking at poetry by Maya Angelou and making comparisons between the book and film version of Goodnight Mr Tom.

In maths, we will start our statistics unit with a skittles investigation! We will be recapping on interpreting charts, comparisons, sum and difference and introducing the children to line graphs.

We have included a photo from our Windrush Workshop this week. Here, children are acting out the arrival of the Windrish HMS with our Time Travelling helper.
