

Peek at the week – w/c:22.11.21

Some very exciting news ... this week your child will be bringing home a reading book for them to read at home. Please read with your child and ensure this book is looked after and kept in their green communication books. Please record any reading you have completed so we can see!

Please remember to bring your child's green communication book into school everyday. This is so the class teacher can check homework and HFW (high frequency words).

English

This week we are continuing to dive into the book "We're going on a bear hunt"

We are looking at the different settings in the book such as forests and rivers.

Maths

This week we are looking at Spatial Awareness and knowing our prepositions as well as learning the composition of four, identifying the number and applying it to physical items.

Phonics

We are continuing with Phase 2 phonics. Talk to your child and see if they can remember their daily sound!

This website will help with pronunciation.

<https://home.oxfordowl.co.uk/reading/learn-to-read-phonics/>

Guided Reading

We are continuing our guided reading, which allows the children to independently learn to read books using different strategies learnt. These are:

- **reading finger under the word**
- **Look at all the letters, make all the sounds and blend the sounds together.**

Notices:

Please can you have a look for any lunch bands your child may bring home, they will be red, blue, yellow or green. If you find any please can you return them as we are running low!

Please provide named water bottles!
