

Peek at the Week

05.07.24

We have had some fantastic oracy opportunities this week in Reception. Oracy is the ability to speak articulately and express ideas and thoughts through speech. We were excited to find a rockpool had appeared in one of our tuff trays, and took turns to say what we could see! Isaiah said "I can see the kraken!" Lauren showed some fantastic descriptive language, "I saw a blue and pink crab, with grey bits".

Important dates:

Monday 8th July – Summer Fayre (after school)

Wednesday 17th July – Sports Day

Wednesday 24th July – Reception End of Year Celebration

Our Learning

Communication & Language Development

We would encourage you to continue practicing all the tricky words we have learned this year, which can be found inside your child's Home Learning Journal.

Phonic information for Parents [here](#)

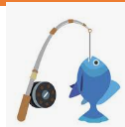

Physical Development

We have had lots of opportunities to develop our fine and gross motor skill this week in Reception. In PE, the children have been practicing the events for Sports Day (which is on the 17th). Please ask your class teacher if you need to know your child's house team colour. A very popular fine motor activity was an Under the Sea sorting tray. The children needed to sort different coloured 'coral' using tweezers and scoops.

Reception song of the week:

[1, 2, 3, 4, 5, Once I Caught a Fish Alive](#)

Well done to the Reception Children of the Week!

R Mead–Inarah and Isaiah

R Russo–Jind and Antoine
