

Peek at the Week

17.05.24

This week, we wanted to share some of the engaging provision activities we have had in Reception.

Things to remember:

We thoroughly enjoyed seeing so many parents and grandparents in R Russo and R Mead on Wednesday for story time! It is a really important part of our day, and reading for pleasure has such tremendous benefits. We understand many of you will have commitments which mean you cannot attend, but if you are available pop along again this coming Wednesday-2.45pm.

I would encourage all children to have a spare set of clothes in school. As the weather improves, we will be utilising our water tray more and of course things will get wet.

Our Learning

Communication & Language Development

This week we have finished recapping Spring 2 of [Little Wandle](#), and we are really pleased with how secure most of the children now are with these digraphs and trigraphs. This week we have sent home some tricky word or letter formation home learning, please try to support your child completing these.

Phonic information for Parents [here](#)

Maths

Shapes, shapes, shapes! We have been looking at 2D and 3D shapes this week. On Friday we begun our next unit, sharing and grouping and read "The Last Marshmallow" by Grace Lin.

Understanding the World

We have had so much opportunity this week to explore the world around us, specifically nature. The adults have followed the children's interest in mini-beasts this week and have created opportunities to delve further into all things creepy crawly! We loved using a magnifying jar to get a closer look at bugs we found in the gardening corner.

Reception song of the week:

[The Millipede March](#)

Well done to our Reception Children of the Week:

R Mead: Noah

R Russo: Abeeha
