

Peek at the Week

26.01.24

This week finished our lovely book "Astro Girl" and have moved onto a firm favourite – "Whatever Next". Ask your child at home to explain where Baby Bear ended up! A highlight this week was exploring weight on our new outdoor scales:

Things to remember:

- Please send in an empty plastic with your child on Monday for a crafty project!
- Book bags due in on Wednesday.
- PE is on Tuesday and Thursday.

Our Learning

Communication & Language Development

This week we have continued Spring 1 of [Little Wandle](#), as well as recapping the digraphs (two letters making one sound) learned before Christmas. Our new digraphs are: **ur**, **ow**, **ie** and the trigraph **ear**. The children are doing really well with their tricky words: *my, by, all!*

Phonic information for Parents [here](#)

Maths

This week we have looked at the numbers 6, 7 and 8. This includes finding "one more" and "one less" when counting. We have been exploring lots of popular nursery rhymes such as "One Man went to Mow" and "One Potato, Two Potato"

Literacy

We practiced writing our **oo** grapheme this week, writing the phrase "zoom to the moon" on some beautiful artwork.

Physical development

We've had lots of fun creating our own rockets—made out of cardboard boxes just like Baby Bear! We practiced using scissors, tape and different materials to decorate our creations!

Reception song of the week:

[Sun, Moon and Stars](#)

Well done to all our Reception Children this Week!
