

Peek at the Week

07.06.24

A short but sweet week! This week we introduced the children to our new topic "Under the Sea". We will start our core text, The Rainbow Fish, next week. We immersed ourselves in lots of lovely sea themed activities this week, the favourites being: paper jellyfish craft, building a pirate ship and creating paper chain arms and legs for the huge octopus on Miss Meikle's wall!

As the weather gets warmer, please ensure you child comes into school with a water bottle and a sun hat. Remember to apply sun cream before coming to school.

Our Learning

Communication & Language Development

We have continued Summer 1 of [Little Wandle](#) this week. We have looked at plural words (using 'es' and 's' and continued to practice chunking and blending. Please continue to practice Tricky Words with your children at home! [Phonic information for Parents here](#)

Maths

We have been discussing vocabulary such as "double" "sharing" and "grouping" in Maths this week. It has been lots of fun to play doubling games during our lessons, and some of the children are becoming really confident at recalling number facts!

Personal, Social and Emotional Development

Our PSED topic this term is "My Body". Today we sang a lovely rendition of "Heads, Shoulders, Knees and Toes" before showing great teamwork by drawing round each other and then labelling each drawing.

Reception song of the week:

[Here comes the sun](#)

All the Reception children have been stars this week!
