

Peek of the Week

Woodlands

Week commencing 17th June 2024

Important Dates

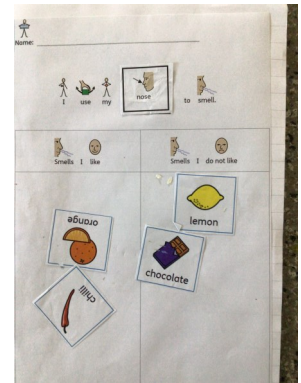

Please can all children bring in spare clothing during hot weather. Badgers will be beginning wet sensory play in the warmer weather.

Please put sun cream on your child in the mornings and send in sun cream for staff to put on in the afternoons.

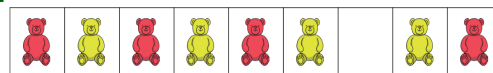

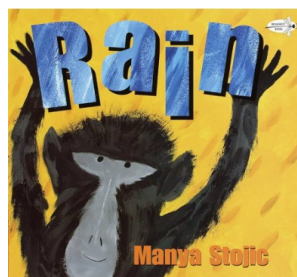

Our Learning

This half term in Woodland Badgers class we are working on Wonderful Water. Our book this term is 'Rain' by Manya Stojic. Last week we worked on different smells and what we use to smell, like the porcupine does in the story. This week, like the zebra, we have been using our eyes to see all the different animals. We have been using colourful semantics to create 'who' 'doing what' sentences about each character.

In maths this week we have been consolidating our one to one correspondence knowledge alongside our understanding of one vs lots. We have also been focusing on patterns, using counting bears and other items in the classroom to make and continue simple patterns.

Makaton sign:

Star of the week

Harrison for being engaged in his learning and doing super work!
