

Peek at the Week

Year 2–3rd May 2024

Important Dates / Reminders

Please remember to complete Maths homework and read daily.

Children should complete one piece of homework each week from their Summer 1 Homework Menu.

Please wear PE kits on a Wednesday.

When logging into Numbots, you need to log in as school not parent, it is quite confusing on the website. Then your child's log in should work.

Beale Park Trip: 12th June 2024

Our Learning

This week, the children have really enjoyed learning about habitats. We have been out looking for micro-habitats and the children have been making their own micro-habitats in shoe boxes. In Maths, the children have started looking at fractions and they are now able to recognise a half and a quarter. In English, the children have been writing their diary entries for Snail's adventures to the desert, rain-forest and London.

Next week, the children are going to be moving on to finding a quarter and half of amounts. Also, they will be able to recognise thirds. In English, the children are going to be writing fact files about whales and snails. In Science, we are going to be moving on to look at food chains. Please practise telling the time with your children at home.

Child of the week

2Hawking: Sophia C

2Franklin: Ahsan

2Newton: Areesha
