

# Year 4 Peek at the Week

## Friday 3<sup>rd</sup> May 2024

### Important Dates /Reminders

**06.05.24:** May Bank Holiday

**20.05.24:** Legoland Trip

**22.05.24:** Musical Soiree

**27.05.24:** May Half Term Holiday

**Wc 03.06.24:** MTC Check

**Wednesdays:** Wear the correct PE uniform.

**Fridays:** All homework due. Spelling test.

### Our Learning

**This week, in history,** we had the opportunity to make our very own Vikings longships!

**In science,** we started our new topic on electricity. We learnt that electricity is a form of energy and reflected upon the importance of electricity in our lives.

**In maths,** we learnt about hundredths as decimals. We explored how to place hundredths on a place value chart and how to divide 1-digit and 2-digit numbers by 100.

**In English,** we finished 'Arthur and the Golden Rope'. We wrote our own version by creating our own magical quest for Arthur to complete!

**Next week, in science,** we will be identifying and naming the basic parts of a simple series circuit.

**In maths,** we will be continuing our work on decimals by learning how to partition.

**In English,** we will have the chance to explore poetry by studying techniques and poetic devices.

Year 4 Gallery: Viking Longships

**PSHRE Focus: Relationships:** In PSHRE this term, we will recognise situations that can cause jealousy in relationships and can identify someone we love and express why they are special to us. We will know how most people feel when they lose someone or something they love and can recognise how friendships change, knowing how to make new friends and manage fall outs. We will understand that some relationships are special relationships for when we are older and there is no need to feel pressured. Lastly, we will know that we can love and be loved by others.

### Child of the week:

**4 Redgrave:** Kyle **4 Simmonds:** Jordan **4 Farah:** Harvey

Remember to read 3 times a week and practise your timetables on Rockstar Maths.
