Wednesdays: wear the correct PE uniform.

Fridays: New homework due next week:

- Reading x3
- Spellings/ English x1
- Maths x1
- Homework Menu

HOMEWORK.

Our Learning

This week, in Science, we will be investigating food chains and learning about its importance in the ecosystem. We will learn about ... in our **computing** unit.

In maths, we moved on to learning the multiplication and division strategies of the 7 and 11 times tables. Times Table Rock Star of 4 times table will continue alongside.

In English, we started a brand new unit on a short film called 'Feast' by Disney Animation Studios. We had an incredible time taste testing different foods and... we had the chance to eat a chocolate biscuit in class!

Next week, in Science, we will making a practical model to represent digestive system to consolidate our topic on the digestive system.

In maths, we will continue to build our knowledge of 11 and 12 times tables and division facts. In addition to this, we will learn how to multiply by 1 and 0 and divide by 1 and itself.

In English, we will be continuing with our Feast unit. We will learn key skills in writing through our 'sentence stacking lessons', building on our vocabulary throughout the week,

Year 4 Black History Art:

PSHRE Focus: Celebrating Difference In PSHRE this term, we will discuss and understand the influences that lead us to make assumptions based on what people look like. Through this we will learn to accept people for who they are and take an active approach to anti-bullying. We will gain an understanding of the what to do when bullying occurs and by the end of the unit, we will know what makes us unique and special.

Child of the week:

4 Redgrave: Arvi **4 Simmonds:** Zakariya **4 Farah:** Marcus

Remember to read 3 times a week and practise your timetables on Rockstar Maths.
