08.03.24: World Book Day

25.03.24: Holi - Colour Run

Wednesdays: Wear the correct PE uniform.

Fridays: All homework due. Spelling test.

Our Learning

This week, in science, we started a new topic about living things and their habitats. **In art,** we used paints to print leaf patterns.

In maths, we learnt to multiply 2 and 3-digit numbers by a 1-digit number using long and short multiplication strategies.

In English, we started our new English unit on a picture-story called 'Journey. It is a story about self-determination and unexpected friendship.

Next week, in science, we will be learning to identify the difference between warm-blooded and cold-blooded animals and how they adapt to changes in environmental temperature

In maths, we will start division of 2 and 3-digit numbers by a 1-digit number. We will explore division with remainders too.

In English, we used the illustrations in the book to write effective sentences for our story. We explored colour, emotion and expression and discussed how this can be interpreted different by each reader!

Year 4 Gallery:

PSHRE Focus: Dreams and Goals: In PSHRE this term, we will understand how it feels to have hopes and dreams and that sometimes they do not come true, and that this can hurt. By reflecting on positive and happy experiences, we will learn to counteract disappointment. We will make new plans and set new goals for the future by working out the steps to achieve them.

Child of the week:

4 Redgrave: Jayaan **4 Simmonds:** Loki **4 Farah:** Crystal

Remember to read 3 times a week and practise your timetables on Rockstar Maths.
