

# Year 4 Peek at the Week

## Friday 1<sup>st</sup> December 2023

### Important Dates /Reminders

**Christmas Fayre:** 02.12.23

**Christmas jumper day:** 07.12.23

**Y4 Carol Concert:** 08.12.23

**Wednesdays:** wear the correct PE uniform.

**Fridays:** New homework due next week:

- Reading x3
- Spellings/ English x1
- Maths x1
- Homework Menu

**HOMEWORK.**

### Our Learning

**This week, in science,** we carried out an exciting experiment, making a practical model to represent the digestive system.

**In maths,** we continued to build on our knowledge of the 11 and 12 times tables and division facts. In addition to this, we learnt how to multiply by 1 and 0 and divide by 1 and itself.

**In English,** we continued with our **Feast** unit. We learnt key skills in writing through our 'sentence stacking lessons' and built on our vocabulary throughout the week,

**Next week, in DT,** we will begin our new unit on pasta. Over this unit we will have an exciting opportunity to make our own pasta!

**In maths,** we will complete this unit by learning how to multiply three numbers. We will revisit and consolidate some of the previously learnt topics as well as have fun with some Christmas maths activities.

**In English,** we will complete our very own piece of independent writing, by retelling the story of **Feast** from a different perspective. We will use success criteria from the Writing Rainbow to help structure our ideas!

Year 4 digestion experiment:

**PSHRE Focus: Celebrating Difference** In PSHRE this term, we will discuss and understand the influences that lead us to make assumptions based on what people look like. Through this we will learn to accept people for who they are and take an active approach to anti-bullying. We will gain an understanding of the what to do when bullying occurs and by the end of the unit, we will know what makes us unique and special.

### Child of the week:

**4 Redgrave:** Lisan **4 Simmonds:** Jordan S **4 Farah:** Shaurya

Remember to read 3 times a week and practise your timetables on Rockstar Maths.
