### Our Learning

**This week, in science,** we learnt to identify the difference between warm-blooded and cold-blooded animals and how they adapt to changes in environmental temperature.

**In maths,** we started division of 2-digit numbers by -digit number and explored division with remainders too.

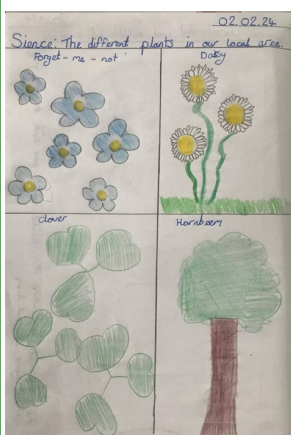

**In English,** we used the illustrations in the book to write effective sentences for our story. We explored colour, emotion and expression and discussed how this can be interpreted different by each reader!

**Next week, in science,** we will be learning to identify and name different plants in our local area.

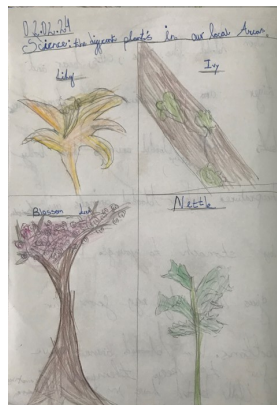

**In maths,** we will continue to consolidate division of 2-digit and 3-digit numbers with a 1-digit number till the end of the half-term.

**In English,** we will be rewriting the story of Journey and will get to create our own imaginary world for our character to step into!

**PSHRE Focus: Dreams and Goals:** In PSHRE this term, we will understand how it feels to have hopes and dreams and that sometimes they do not come true, and that this can hurt . By reflecting on positive and happy experiences, we will learn to counteract disappointment . We will make new plans and set new goals for the future by working out the steps to achieve them.

### Child of the week:

**4 Redgrave:** Harsha **4 Simmonds:** George **4 Farah:** Blake

Remember to read 3 times a week and practise your timetables on Rockstar Maths.
