

Year 4 Peek at the Week

Friday 5th July 2024

Important Dates /Reminders

17.07.24: Sports Day

25.07.24: End of term (half day- finish at 12pm).

Wednesdays: Wear the correct PE uniform.

Fridays: All homework due. Spelling test.

Our Learning

This week, in RE, we started to explore how Jewish people show commitment to God. **In art** we used recycled plastic, the Great Wave and our own ideas to create an original piece of art about plastic pollution.

In maths, we started a new topic on Shapes. Within this topic, we will explore the properties of different triangles, understand, compare and order angles.

In English, we explored different leaflets and holiday brochures and discussed features and techniques used in persuasive writing.

Next week, in science, we will be starting a new topic on sound.

In maths, we will explore the characteristics of polygons and learn about the lines of symmetry.

In English, we will continue looking at different shapes in the text in more detail e.g. subheadings, eating out, landmarks, natural features of Sicily.

Year 4 Gallery:

PSHRE Focus: Changing Me: In PSHRE this term, we will be completing our 'Changing Me' unit. This includes understanding that everyone is unique and that some of our personal characteristics come from our parents. We will explore the responsibilities of parenthood and understand that this is a choice we make when we are adults. We will learn how the body changes through puberty and that menstruation is a natural part of the process for girls. Finally, we will begin to think about transition and preparing for Year 5.

Child of the week

4 Redgrave: Zahraa **4 Simmonds:** Lucy **4 Farah:** Adarsh

Remember to read 3 times a week and practise your timetables on Rockstar Maths.
