### Year 4 Gallery:

Science ; Local trees

### Our Learning

**This week, in science,** we learnt about the negative environmental changes that are causing some living things to become endangered and even extinct.

**In Art,** children learnt how to crayon resist watercolours to create fun repeating patterns.

**In maths,** we continued to consolidate short division–2 digit by 1 digit and 3 digit by 1 digit.

**In English,** we rewrote the story of Journey and were able to create our own imaginary world for our character to step into!

**After half term, in DT,** we will starting our unit on money containers and we will be exploring a range of money containers and examining their features.

**In maths,** we will start a new topic on length and perimeter. We will be learning how to calculate the perimeter of rectilinear shapes and polygons.

**In English,** we will be starting our new book on 'The boy at the back of the class'. This is a Power of Reading Unit which focusses on reading skills and comprehension.

**PSHRE Focus: Dreams and Goals:** In PSHRE this term, we will understand how it feels to have hopes and dreams and that sometimes they do not come true, and that this can hurt . By reflecting on positive and happy experiences, we will learn to counteract disappointment . We will make new plans and set new goals for the future by working out the steps to achieve them.

### Child of the week:

**4 Redgrave:** Natalie **4 Simmonds:** Anshika **4 Farah:** Luca

Remember to read 3 times a week and practise your timetables on Rockstar Maths.
