Our Learning

This week, in science, we started began our new unit on sound.

In PSHRE, we learnt about some of the changes that happen to our bodies when we go through stages of puberty.

In maths, we explored the characteristics of polygons and learnt about the lines of symmetry.

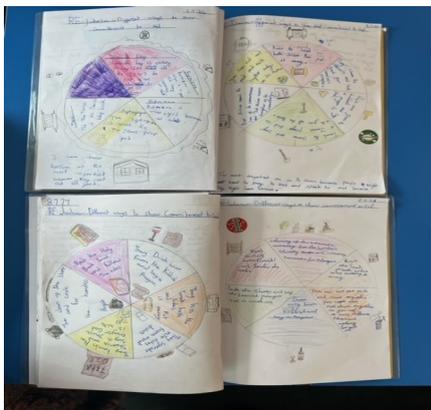

In English, we continued looking at different shapes in the text in more detail e.g. subheadings, eating out, landmarks, natural features of Sicily.

Next week, in science, we will be exploring how sound travels.

In maths, we will start a new topic on Statistics . We will learn how to interpret chart and draw line graphs.

In English, we will be creating our own holiday brochure on a country or city in Europe. We will include persuasive language and features of leaflets!

Year 4 Gallery:

PSHRE Focus: Changing Me: In PSHRE this term, we will be completing our 'Changing Me' unit. This includes understanding that everyone is unique and that some of our personal characteristics come from our parents. We will explore the responsibilities of parenthood and understand that this is a choice we make when we are adults. We will learn how the body changes through puberty and that menstruation is a natural part of the process for girls. Finally, we will begin to think about transition and preparing for Year 5.

Child of the week

4 Redgrave: Tayla **4 Simmonds:** Taha **4 Farah:** Marcus

Remember to read 3 times a week and practise your timetables on Rockstar Maths.
