

# Peek at the Week

## Year 6– 2nd February 2024

### Important Dates / Reminders

w/c 12.02.24 Half Term

05.03.24 Parents' Evening

06.03.24 Parents' Evening

Maths homework will be set on a Monday and is due in school the following Monday.

Children should select and complete one option from their homework menu each week. The work will be shared in as class homework gallery at the end of term.

The children have a spelling test each Wednesday and should bring in their grammar homework to be marked.

Don't forget to wear the correct PE uniform to school each Thursday.

### Our Learning

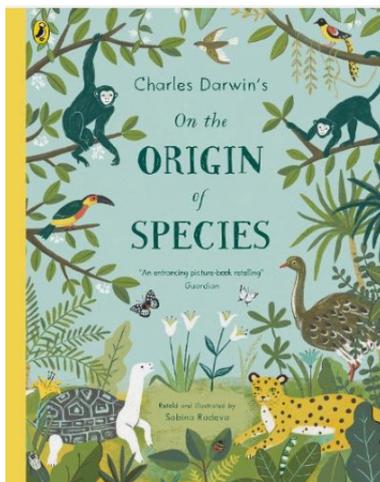

**This week**, we continued to explore the continents of North and South America and learnt about the physical and human Geography of these areas.

In Maths, we continued to explore percentages and how to convert numbers between decimals, fractions and percentages.

In English, we began a unit of work where we will be learning more about the features of non-chronological texts.

On Friday, we had a fantastic time visiting the Natural History Museum. The children enjoyed exploring the galleries and took part in a workshop where they took a trip to the bottom of the ocean!

**Next week**, we will be completing some practice SATs papers in Maths and English to prepare for the real tests in May. We will also be exploring the impact of deforestation and the development of ecotourism in the Americas.

This is the text that we are using in our English lessons at the moment. It is a child-friendly explanation of Darwin's theory of natural selection.

Check out the Priory School website for some photos of us on the trip.  <https://www.prioryschool.co.uk/year-6/>
