### Our Learning

**This week**, we have been learning about the 'Great Stink' which hit London in the 1800s. We also learnt about the work of the engineer, Joseph Bazalgette, who created the London sewer system. We learnt a good life-skill by exploring how to navigate the London Underground system. In Maths and English lessons we continued to revise a range of topics in preparation for the KS2 SATs in May.

**Next week**, we will begin a unit of work learning about different ways that artists represent cityscapes. We will then create our own cityscapes in a range of artistic styles. In Maths and English we will be continuing to revise for the KS2 SATs and learning some top tips if how to tackle the tests.
