Our Learning

This week, we have been working hard to prepare for the Y6 Summer Fair. We have designed stalls to fit with a Euros Football theme. Hopefully England will still be in the tournament when the fair takes place!

Next week, we will be completing a unit of work in Science where we will be learning more about the human body. The focus of our lessons will be on the circulatory system and making healthy lifestyle choices. In PSHRE lessons, we will be learning about relationships. To help further prepare Year 6 for the move to secondary school, the Mental Health Team will be running a workshop to discuss strategies to help cope with change.

On Friday, some of us will be off to the Isle of Wight for the Year 6 residential trip to Little Canada. The rest of the children will be taking part in some fun activities at school.
