

Peek at the Week

Year 6– 15th September 2023

Important Dates / Reminders

14.09.23: Year 6 Welcome Meeting for Parents at 2:45pm

26.09.23/27.09.23 School Photographs

27.09.23 Priory Friends/Macmillan Coffee Morning

Maths homework will be set on a Monday and is due in school the following Monday.

Children should also complete one piece of homework each week from the Harry Potter Homework menu.

The children have a spelling test each Wednesday and should bring in their grammar homework to be marked.

Don't forget to wear the correct PE uniform to school each Thursday.

Our Learning

This week, we have been learning about the designers Gaudi and Hundertwasser and applying their ideas about architecture to work about Diagon Alley.

In English, the children were inspired by the description they had read of Diagon Alley to create their own magical shops.

In maths, the children continued to work on place value and applied their knowledge to number lines and problem solving.

Next week, we will be learning about how to read maps using 6 figure grid references. We hope that the weather will allow us to do some orienteering around the school grounds!

In English, Harry will be continuing his journey into the magical world and will meet some of his magical teachers. The children will then be creating and describing their own magical teacher.

In maths, the children will be focussing on addition and subtraction.

Star of the Week

6 Attenborough: Ebony

6 Goodall: Dollie

6 Anning: Zahra

6 Darwin: Rishan

Word of the Week: accommodate
