

# Peek at the Week

## Year 6– 22nd September 2023

### Important Dates / Reminders

**26.09.23/27.09.23** School Photographs

**27.09.23** Priory Friends/Macmillan Coffee Morning

**10.10.23** Hello Yellow Day–wear yellow to raise money for 'Young Minds'

Maths homework will be set on a Monday and is due in school the following Monday.

Children should also complete one piece of homework each week from the Harry Potter Homework menu.

The children have a spelling test each Wednesday and should bring in their grammar homework to be marked.

Don't forget to wear the correct PE uniform to school each Thursday.

In music this week, Y6 have begun to learn about Hip Hop music. Mrs Shaw introduced us to the interactive "hip hop google doodle", where we could select tracks to put on the decks, and try mixing, scratching and changing the speed too! This is a website, so should be available on any device, in case anyone would like to explore further at home. It's worth trying out the challenges (click on the trophy picture at the top), which reveals more interesting hip hop facts as you achieve them!

### **Star of the Week**

**6 Attenborough:** Xavier

**6 Anning:** Hiba

**6 Goodall:** Mikail

**6 Darwin:** Kodie

### Our Learning

**This week**, we learnt about how to read maps using 6 figure grid references. Although a little windy, 6 Attenborough and 6 Darwin undertook an orienteering challenge around the school grounds!

In English, Harry continued his journey into the magical world and met some of his magical teachers. The children then created and described their own magical teacher.

In maths, the children focussed on addition and subtraction.

**Next week**, 6 Anning and 6 Goodall will hopefully complete the orienteering challenge whilst 6 Darwin and 6 Attenborough design and make wands. In English, we will be creating information pages about Quidditch and magical creatures. In Maths, we will be improving our knowledge of divisibility, primes, squared and cubed numbers.

### **Year 6 Prefects**
